ABOUT US

Golden Frames Pictures, founded on March, 2024, is a dynamic content production company led by industry expert Mr. Mithilesh Mishra. With roots in Mumbai, Maharashtra, we specialize in crafting high-impact fiction and immersive audio storytelling for television, OTT, and digital platforms.

Our mission is to bring emotionally rich, socially relevant, and commercially successful narratives to life. Whether it's a high-volume daily soap or a crisp limited series, we combine deep production expertise with creative precision to deliver premium content – on time and on budget.

VISIONARY LEADERSHIP

With over 15 years in the Indian television and digital content industry, **Mithilesh Mishra** is a rare blend of **creative instinct and operational mastery**. From helming high-volume dailies to managing web and audio originals, he has consistently delivered premium content across platforms like **&TV, Zee TV, Star Plus, Sony LIV, Hotstar, Dangal TV, and more**.

As a Production Head and Business Leader, Mithilesh has a sharp eye for **budgeting, planning, and team efficiency**. But what truly sets him apart is his **creative sensibility**—he instinctively understands what a story needs and exactly **who can bring it to life**. Be it on-ground execution, or resolving production bottlenecks, he knows how to place the right people in the right roles to achieve the best possible results.

At Golden Frames Pictures, Mithilesh is not just leading projects—he's building a culture of **precision, passion, and purpose**, ensuring that every story resonates with audiences and aligns with broadcasters' goals.
